## The Peter Newton Pavilion

The Peter Newton Pavilion is a hidden venue in Dunstable. With great connections to the local train station, airport, M1 junctions and accommodation it really is the perfect venue to host your wedding breakfast and reception.

We take pride in the friendly and versatile, personal service offered to customers by our on-site staff members.

The neutral coloured decor of the venue leaves space for imagination and allows your vision to come to life. You will also have access to the projector and speakers for the dreaded best man speeches. The speakers can be connected through AUX or HDMI cables. This is commonly used to play music during the meal.

The menus available are provided by local caterers who are happy to meet your guests' dietary requirements. The Peter Newton Pavilion can accommodate up to 100 guests for your wedding breakfast

with a traditional rectangular top table and nine round guest tables.

To make sure that you have plenty of space for dancing, there is a maximum of 150 guests for the reception and buffet.

If you are happy to allow The Peter Newton Pavilion to be part of your special day, a reservation can hold a date for up to 14 days with a £250 deposit needed to secure the date. The deposit is refundable after the event should there be no damages or actions against the terms and conditions.
